Based on [Evictions](#)
Publishing to the public requires approval
This dataset lists pending, scheduled and executed evictions within the five boroughs, for the year 2017 - Present. The data fields may be sorted by Court Index Number, Docket Number, Eviction Address, Apartment Number, Executed Date, Marshal First Name, Marshal Last Name, Residential or Commercial (property type), Borough, Zip Code and Scheduled Status (Pending/Scheduled).
Eviction data is compiled from the majority of New York City Marshals. Marshals are independent public officials and should be contacted directly for more information at <https://www1.nyc.gov/site/doi/offices/marshals-list.page> Data prior to January 1 2017 is not currently available.
